

2025

Inventor Adventure Programme 2025

9888 9771

enquiry@ideacademy.sg

@idestemie

**For
ages 8 - 11!**

Learning Outcomes

Students will learn about the 7-step STEMIE invention process, independently identify a problem, and invent a solution to solve it.

Students develop their prototype, video pitch, and display board for entry into the 2025 Singapore Invention Convention.

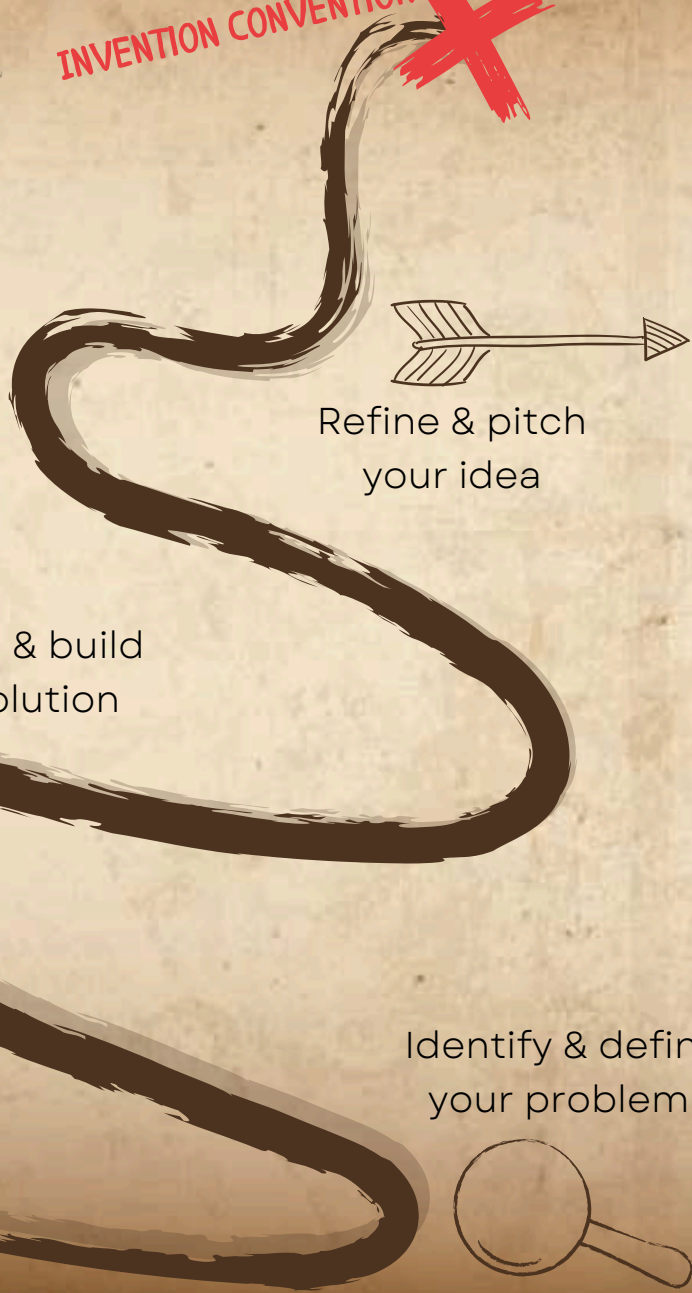

Students will be able to confidently present their invention idea, and clearly explain its function.

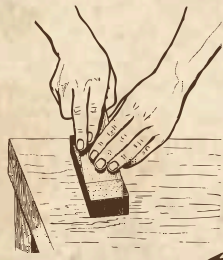

Your Journey

~~INVENTION CONVENTION~~

Refine & pitch
your idea

Design & build
your solution

Identify & define
your problem

START HERE

Field Trips

When you join the Inventor Adventure, you'll automatically qualify for multiple exclusively organised trips with our corporate partners.

Enhance your learning experience!
