

2026

Inventor Adventure Programme - Kidinnovator

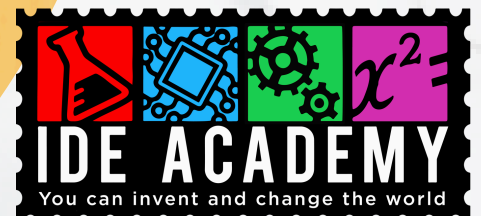

9888 9771

enquiry@ideacademy.sg

@idestemie

**For
ages 8 - 11!**

Learning Outcomes

Students will learn about the 7-step STEMIE invention process & independently identify a problem, and invent a solution to solve it.

Students develop their prototype, video pitch, and display board for entry into the 2027 March Singapore Invention Convention.

Students will be able to confidently present their invention idea, and clearly explain its function.

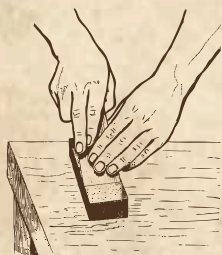

Your Journey

~~INVENTION CONVENTION~~

Refine & pitch
your idea

Design & build
your solution

START HERE

Identify & define
your problem

Field Trips

When you join the Inventor Adventure, you'll automatically qualify for multiple exclusively organised trips with our corporate partners.

Enhance your learning experience!
